Department of Computer Science Teaching Term Appointment

The Department of Computer Science at Memorial University invites applications for one (1) Teaching Term Lecturer position (three-year contract), starting August 1, 2025. The successful candidate will teach undergraduate courses at both the introductory and senior levels and will perform standard administrative tasks. Research will not form part of the required duties for this position. A MSc in Computer Science (or related field) is required at the time of appointment, along with some teaching experience. A PhD degree will be an asset. Salary will be determined according to qualifications and experience, as stipulated by the Collective Agreement. The position is subject to budgetary approval.

Applications will be accepted until May 12, 2025. Applicants should submit the following materials:

- Curriculum Vitae
- Description of teaching interests, experience, and philosophy
- Documentation in support of teaching effectiveness
- Brief description of commitment to equity, diversity, and inclusion
- List of the names of three (3) referees, including their phone numbers and email addresses.

All material should be uploaded to the following link with all documents in reference to position F08049-2025-39:

Dr. Sharene Bungay, Head
Department of Computer Science
Memorial University of Newfoundland
St. John's, NL, Canada, A1B 3X5

The Department currently has 18 tenured/tenure-track and four teaching-term faculty members and supports B.Sc., BA, M.Sc., and PhD programs in Computer Science, and collaborative graduate programs with other faculties. For further details visit www.mun.ca/computerscience

Memorial University is committed to employment equity, diversity, inclusion and anti-racism, and encourages applications from all qualified candidates, including women; people of any sexual orientation, gender identity, or gender expression; Indigenous Peoples; visible minorities, and racialized people; and people with disabilities. All applicants are invited to identify themselves as a member of an equity-deserving group(s) as appropriate. Applicants cannot be considered as a member of an equity-deserving group(s) unless they complete an employment equity survey. Memorial is committed to providing an inclusive learning and work environment. If there is anything we can do to ensure your full participation during the application process please contact equity@mun.ca directly and we will work with you to make appropriate arrangements.

All qualified candidates are encouraged to apply; however, Canadian citizens and permanent residents will be given priority.

Memorial University is the largest university in Atlantic Canada. As the province's only university, Memorial plays an integral role in the educational and cultural life of Newfoundland and Labrador. Offering diverse undergraduate and graduate programs to almost 18,000 students, Memorial provides a distinctive and stimulating environment for learning in St. John's, a safe, friendly city with great historic charm, a vibrant cultural life, and easy access to a wide range of outdoor activities. For more information about Memorial, please visit <http://www.mun.ca>.
